

AYP BABYSITTING INTERNSHIP

AYP BABYSITTING INTERNSHIP SUMMER 2024

Students who have completed the Safe Sitter course can participate in this exciting opportunity! Students can practice their babysitting skills at Moms in Motion exercise classes at the Armory Youth Project, watching young children while their moms exercise (with support from AYP staff available). After each class, students will complete reflection questions and discuss what they have learned with the AYP Safe Sitter instructor.

Moms in Motion classes are on Tuesdays from 10:30-11:15 am beginning June 11th, 2024.

Internship Requirements:

- Have completed Safe Sitter course
- Attend 3 Moms in Motion classes
- Complete reflection questions with the instructor after each class

When the internship has been completed (3 classes attended), the student will receive a letter of recommendation from the Armory Youth Project, a certificate for completing the internship, along with a **refund of their Safe Sitter class fee if students took the course in June 2024.**
